2025 Merchant Application

Nov1-2, 8-9, (11-13), 15-16, 22-23, 28-30, Dec 6-7, 2025

The Louisiana Renaissance Festival attracts more than 75,000 patrons each year to experience some fun with history and everyday life of the European Renaissance. Our merchants offer our patrons uncommon products and services that complement our theme and many demonstrate the making of their fine, hand-crafted products. We are always looking for new merchants with unique products that will add excitement and authenticity to our festival, especially people who can demonstrate their products.

Currently, applications are not being accepted in the following categories: Imported/Resale Merchandise; Leather; Jewelry.

The jury will review all applications thoroughly and reserves the right to deny/exclude specific items from your product list. If you disagree with the exclusion of items, you will have two weeks to notify us via email or traditional mail that you would like to withdraw your application and we will refund a portion of your application deposit. **You will only be allowed to sell items that are approved and listed in your final contract, so please ensure your list is complete.**

Merchants may sell their approved products from a permanent structure, period tent, or cart. First-year merchants may not build, or purchase existing permanent structures. All structures, tents, carts, etc. must be approved by the Merchant Team PRIOR to set up. If you are interested in renting an existing shop space for the season, please contact us to learn of any availability. Pop-ups and/or Easy-ups are not period-appropriate and therefore not allowed.

The Louisiana Renaissance Festival requires all merchants to have a minimum of \$1,000,000 general liability insurance with the festival listed as additional insured. You may choose to purchase insurance through the festival for an additional fee. A copy of your current Certificate of Coverage must be on file with the Merchant Team prior to October 1. If it is not, your booth will be automatically put on the festival insurance, and your booth billed at the current rate, subject to change. If we are unable to insure your business and you are not able to obtain your own policy, you will not be allowed to open.

If accepted as a merchant, you will receive an email containing your contract and invoice. You will have 60 days from notification of your acceptance, or by October 1, whichever is earlier, to pay your merchant fees. If payment is not received by the deadline and no contact is made, your contract offer may be withdrawn and your deposit forfeited. Fees are based on footprint and begin at \$700.

A new merchant also has the option of renting temporary space in our Guest Artist Pavilion. This allows a new merchant to set up their vending area for **up to two weekends** at a discounted fee, giving both the merchant and the festival a chance to see if it is a good 'fit' for both parties. If you cannot provide your own insurance, you will be required to purchase festival insurance for the dates you are vending. There is one electrical outlet included
